Note 1: Front chassis harness to proximity switch

This diagram shows an exploded view of a mechanical assembly. The components are numbered as follows:

- 1**: A long horizontal shaft or rod.
- 2**: A bracket or support structure with mounting holes.
- 3**: A cable with a connector.
- 4**: A small curved component, possibly a spring or clip.
- 5**: A small cylindrical component.
- 6**: A vertical support arm.
- 7**: A small circular component, possibly a washer or seal.
- 8**: A small cylindrical component.
- 9**: A small circular component.
- 10**: A small circular component.
- 11**: A cable with a different connector.
- 12**: A small cylindrical component.
- 13**: A small rectangular component.
- 14**: A small cylindrical component.
- 15**: A small rectangular component.
- 16**: A small rectangular component.
- 17**: A small cylindrical component.

The diagram illustrates the assembly of these parts into a larger mechanical system, likely a sensor or actuator. A callout circle highlights the assembly of parts 8, 9, and 10.

Item	Part #	Change No	Description	Usage Code	QTY
1	265/01055		Bar Z lift reset		1
