CASE III

If Safety Decals on this machine use the words **Danger, Warning or Caution**, which are defined as follows:

- **DANGER:** Indicates an immediate hazardous situation which if not avoided, will result in death or serious injury. The color associated with Danger is RED.
- **WARNING:** Indicates a potentially hazardous situation which if not avoided, will result in serious injury. The color associated with Warning is ORANGE.
- **CAUTION:** Indicates a potentially hazardous situation which if not avoided, may result in minor or moderate injury. It may also be used to alert against unsafe practices. The color associated with Caution is YELLOW.

If Safety Decals on this machine are ISO two panel Pictorial, decals are defined as follows:

- The first panel indicates the nature of the hazard.
- The second panel indicates the appropriate avoidance of the hazard.
- Background color is YELLOW.
- Prohibition symbols such as   and  if used, are RED.

WARNING

IMPROPER OPERATION OF THIS MACHINE CAN CAUSE INJURY OR DEATH. BEFORE USING THIS MACHINE, MAKE CERTAIN THAT EVERY OPERATOR:

TO PURCHASERS OF NEW CASE MACHINES

Congratulations on your purchase of a CASE Plow. Welcome to the ever-increasing number of satisfied CASE owners.

The dependability and economical performance of your new CASE plow will prove that you were wise in making this choice.

The organization back of your plow has been building quality farm equipment for more than a century. Your CASE plow was built in one of the largest and best-equipped plants in the world. In this factory quality materials, the finest precision machinery, high-grade workmanship, thorough inspection, and complete testing equipment are combined to give you the best in performance and economical operation.

The care which you give your plow will have a great deal to do with the service and satisfaction you get from it. By observing the precautions and suggestions in this manual, your CASE plow will serve you well for many years. Make this manual your guide. Should you need information not covered here, or should your plow require special servicing, contact your Case dealer. He has trained men who are kept informed on the best methods of servicing CASE machines in the field or in his shop.

When it becomes necessary, after long use, to replace certain parts on your plow, be sure to use only genuine CASE parts, which insure proper fit and continued good service. These may be obtained from your CASE dealer. It is always helpful to provide him with the MODEL of your plow in addition to a description (and part number if available) of the parts required.
